PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Instructions were issued by Government on 10th September 1953 that recovery of Sales-tax from non-resident dealers who have no agents or branches or distributors in the State be waived in respect of inter-State transactions during the period from 1st April 1951 to 31st March 1953, if, and to the extent, it has not been already collected.

Representations have since been made by Trade Associations and merchants that in respect of several inter-State transactions, non-resident principals will have acted either independently of their local agents, branches or distributors or that the latter will have canvassed orders for their principals but that the actual transfer of property will have taken place without their intervention, and that it would therefore be a hardship to their local agents or branches or the distributors, if the latter are liable to pay the tax, as they have not collected Sales-tax from customers.

On a consideration of the above representation, Government are pleased to order that recovery of Sales-tax from the non-resident dealers having branches/agents or distributors in the State be also waived in respect of the goods sold by them during the period from 1st April 1951 to 31st March 1953 direct to the dealers or consumers inside the State without the intervention of their local agents, branches or distributors, and on which transactions they have not collected tax from their customers. Where, however, the transfer of property has taken place through the intervention of the local agent/branch in the State, the tax will be assessed and recovered as the liability was present even before the Constitution by virtue of Section 19 of the Mysore Sales-tax Act.
